To Whom It May Concern,

This letter is to inform you that as of this date, Baker Utility Supply Company, located in Albuquerque, New Mexico is the only Authorized Kennedy Valve and Hydrant Stocking Distributor in the State of New Mexico.

Kennedy Valve sells and services the waterworks industry by selling through factory-trained distributors, such as Baker Utility. The policy of Kennedy Valve is that we will only honor claims against defects in workmanship on our products sold by an authorized distributor. This policy exists for your protection. By limiting the sale of our products to only authorized distributors, we maintain control over our products. We can be assured that our products are stocked, handled and serviced in a manner that we approve.

Baker Utility Supply Company maintains a facility that is up to our standards and employs competent, factory trained and professional people to sell and service our products.

We strongly encourage you to only purchase Kennedy Valve Products from a factory-authorized source to ensure that all your needs, both before and after the purchase, are met.

Thank you for your interest in Kennedy Valve and our products.

Sincerely,
Kennedy Valve
