Mr. Brad Reimers gave the invocation and Ms. Pat Duran led the Pledge of Allegiance.

Mr. Guy Kesner moved that the minutes of the meeting held on October 25, 2021, be approved. Mr. Oscar Gonzalez seconded the motion. Chairman Pyeatt requested three corrections on Pages 1, 6 and 7 of the minutes. Mr. Kesner then amended his motion to approve the corrected minutes. Mr. Gonzalez seconded the amended motion and all members voted yes to approve the corrected minutes.

Chairman Pyeatt stated additional data was provided to the Committee following the last meeting. Two members of the Committee requested revisions to the proposed plans. Chairman Pyeatt reiterated the overall objective of the Committee is to continue reviewing the plans and be prepared to vote on Monday, November 8, 2021, on a plan to submit to the City Commission for consideration. Chairman Pyeatt reviewed the outline for tonight's meeting and stated he will request each member of the Committee to discuss a plan or propose changes to an existing plan which will be labeled accordingly. Any and all proposed plans to be considered by the Committee during Monday night's meeting must be included with the meeting agenda which must be published by 5:00 p.m. this Friday to meet the 72-hour notice requirement. Chairman Pyeatt encouraged the Committee to study the plans over the weekend and be ready to make a decision at the November 8th Redistricting Review Committee meeting.

Chairman Pyeatt stated that Mr. Michael Sharp of Research & Polling is on the telephone tonight and confirmed all parties were able to hear each other. Mr. Sharp is sharing his computer screen and maps with the committee and the public and will be able to make any map changes as needed.

A lengthy discussion was then held by the Committee regarding various plans. While reviewing the data and population percentages of the various plans, each member asked specific questions and some members posed slight plan deviations. Mr. Sharp was able to visibly shift boundary lines, upon request, and report whether the outcome would fall within the desired total population deviation between the districts of +/-5%.

After review and changes, Ms. JoAnn Penick's plan was labeled as Plan H.

In reviewing the substantial changes proposed in Plan G, a lengthy discussion was held regarding the locations and communities of interest. After review and adjustments, Chairman Pyeatt's plan was labeled as Plan G-1.

A lengthy discussion was held regarding communities of interest and cultural differences in Plan G-1. Mr. Efren Cortez, City Attorney, stated the term "communities of interest" has varying interpretations. He reviewed a 2012 Supreme Court case, Maestas vs. Hall, wherein the Supreme Court stated:

"With respect to the legislative policy of preserving communities of interest, we recognize that this criterion may be subject to varying interpretations. We interpret communities of interest to include a contiguous population that shares common economic, social, and cultural interests which should be included within a single district for purposes of its effective and fair representation. The rationale for giving due weight to clear communities of interest is that "[t]o be an effective representative, a legislator must represent a district that has a reasonable homogeneity of needs and interests; otherwise the policies he supports will not represent the preferences of most of his constituents."

Following some additional discussion, Mr. Pyeatt requested that Plan G-1 remain as proposed.

Ms. Pat Duran requested that a small portion of Navajo, included as District 5, be moved into District 1. Mr. Sharp reported this change is acceptable with the population deviations and it was re-named as Plan G-2 due to it being very similar to Plan G-1.

Mr. B. J. Choice and Mr. Oscar Gonzalez stated they favored Plan A.

Additional discussion was held among the committee members and with members of the audience. Numerous boundary line adjustments were attempted without achieving the minimum required deviation.

Discussion was held relating to future growth in Districts with the Committee acknowledging only the recent census can be considered in redistricting. Commissioner Calderon stated he also likes Plan A; however, he has walked through many neighborhoods for over 20 years, and he will knock on doors anywhere.

There being no further discussion by the Committee and no further comments from the audience, Mr. Pyeatt stated Plans A – F, Plan G-1, Plan G-2 and Plan H would be the plans for the Committee to review. If further alterations or revisions are requested by Committee members, a new proposed plan would have to be created and reviewed by the Committee at the November 8th meeting with a subsequent meeting scheduled not less than 72 hours before the agenda is published.

In response to Mr. Gonzalez' question, Chairman Pyeatt asked Mr. Sharp if he could have the plans updated and submitted to Ms. Jan Fletcher, City Clerk, by tomorrow for inclusion with the agenda. Mr. Sharp replied and stated he would get the maps and data tables to Ms. Fletcher tomorrow.

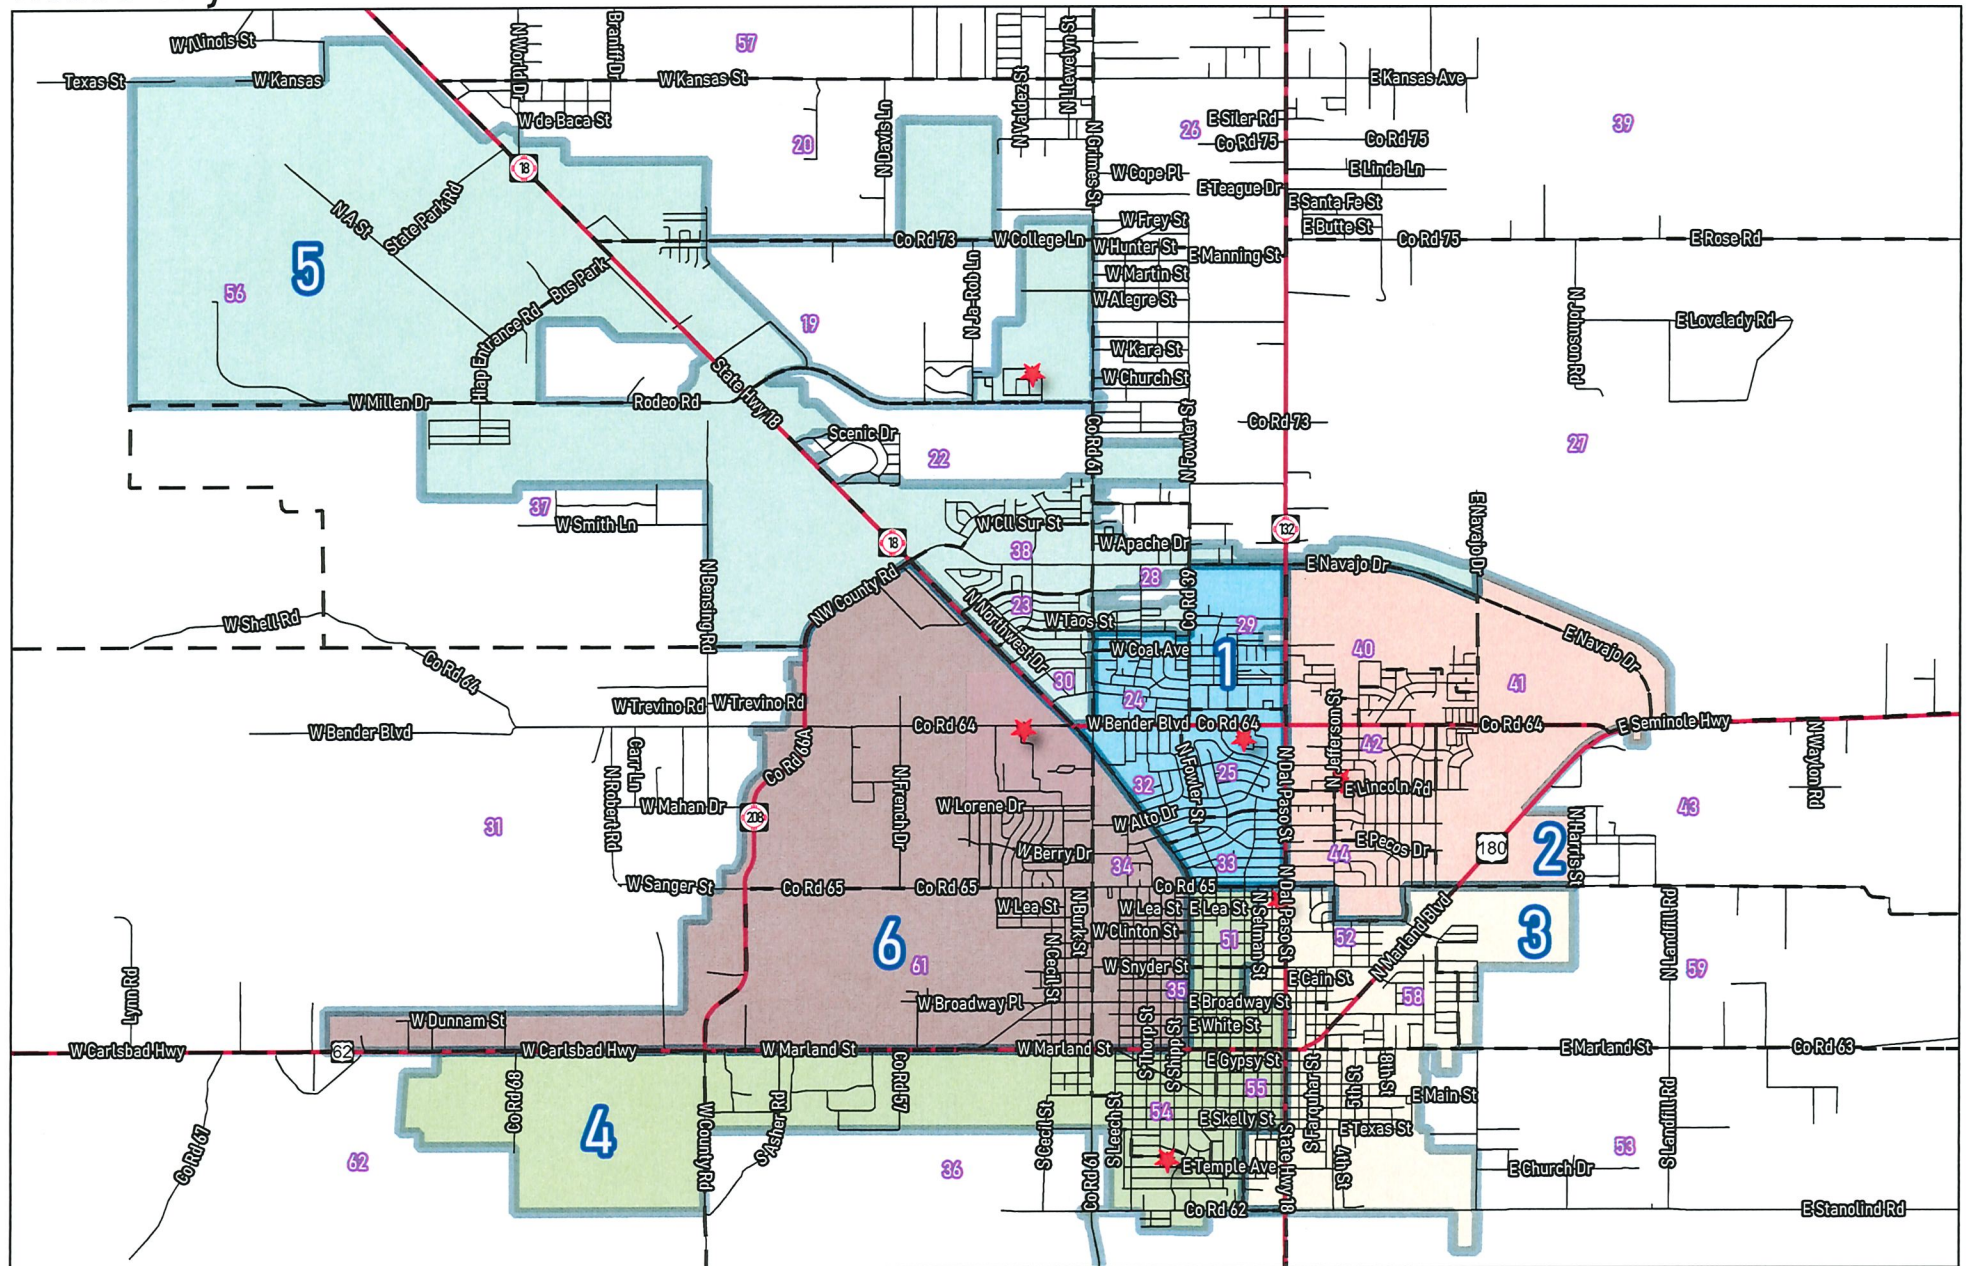

Chairman Pyeatt announced the next scheduled meeting is Monday, November 8, 2021, at 5:30 p.m. in the City Commission Chamber at City Hall.

There being no further discussion, upon motion duly made, second and approved, the meeting adjourned at 7:00 p.m.

DAVID PYEATT, Chairman
